The image shows a professional-grade LED light fixture, the Orbiter, in a light blue and black color scheme. It features a large, clear lens at the front and a blue handle on top. The brand name 'Orbiter' is visible on the side. The background is dark, making the light fixture stand out.

Orbiter®

la première source ponctuelle LED ultra-lumineuse et polyvalente grâce à de nombreux accessoires optiques.

- Optiques interchangeables
- Nouvelle science des couleurs
- Logiciels avancés
- Électronique ultra moderne
- Construit avec versatilité et pour le futur.
